## FRAMELESS DOORS BY ORAMA

Orama presents a new line of frameless doors that provides an exceptional visual experience. Through cutting edge technology, a customisable, minimal door with a maximum security and innovative design has been created. Elegance is a boundary, transgress it.

### **Secure**

Maximum protection, thanks to a 4-points locking mechanism

### **Frameless**

Invisible frame allows for a minimal appearance

### **Custom**

Selection from a wide list of premium materials

### **Resizable**

Adjustable aluminium system fits any size

### **Insulated**

All parts of the door are thermally broken

### **Innovative**

Reinventing the handle experience
